Reading

Comprehension-I will answer questions about books, identify characters and re-tell familiar stories.

Fluency-My teachers will listen closely to how I speak and express myself.

Start a Conversation!

What was the best thing that happened to you at school today?

What event took place on Easter Sunday?

Can you point out letters to me while we are reading a book together? What sound do they make?

Can we look for letters or even words in the environment while we are riding in the car together?

How high can we count together?

When is your birthday?

What can we do together to show God how much we appreciate our earth?
