## What Will I Learn?

I will meet Super Kids Icky, Tic, Tac, Toc, and Fritz who will help me learn and explore the letters I, T, and F along with their sounds. I will also learn how to write these letters and continue to blend letters and sounds as I explore how words are formed.

I will begin to explore and learn about solid shapes and the concept of equal parts.

I will learn about King David, Mephibosheth, Ester and the birth of Jesus.

I will celebrate Christmas Around the World by creating a passport and visiting other countries. I will track my travels using a map and globe. I will learn about other cultures and their Christmas celebrations exploring how each is similar and different to how I celebrate with my family.
