

## Extended Care Payments

Please find below the payment schedule for the Messiah Christian School extended care program. Our extended care program is open to all registered students on the days and times they attend school. The rate for extended care is \$9.50 per child per session per day and you only pay for the days and sessions used. The morning session is from 7-9 a.m. and the afternoon session is from 3-5:30 p.m. A Late Fee of \$1.00 per minute will be added for extended care pick up after 5:30 p. m.

If you are a family who pays tuition in FACTS your extended care charges will be added to FACTS monthly and processed for payment along with your tuition. The exception would be the June 1 payment which will be extended care only. You will be advised directly by FACTS when the charges have been added to your account. At that time, you may access your FACTS account for the total monthly extended care charge.

If you are a family who has paid your tuition in full for the year you will be given a statement each month noting your extended care charges. Payment is expected by the dates shown below.

A late fee of \$10 will be added to any account with an outstanding extended care balance 5 business days after the due dates noted below.
