What Will I Learn?

I will complete my learning experience with the SuperKids by working with the letters X, Y and Z and exploring their sounds and learning how to write them.

I will take end of the year "exams".

I will continue to attend rehearsals for the play my class will be performing on graduation day.

I will continue to read with Ms. Taylor, Mrs. Spangler and my classmates during small reading groups.

I will continue to explore simple addition equations and also begin to work with subtraction facts and measurement.

I will hear and discuss bible lessons on Peter, Paul and Silas.
