### What Will I Learn?

I will meet SuperKids Sal, Lily and Icky who will help me learn and explore the letters S, L and I along with their sounds. I will also learn how to write these letters.

I will begin to blend the letters I have learned so far and explore how words are formed.

I will work with the numbers 1-10, their values and how to write them.

I will learn about Samuel, David, and Johnathan.

I will talk about Thanksgiving and what it means to me.

### Ask a Kindergartner!

What passwords can you find while we are driving or reading books together?

What is one more or one less than a given number?

What is your favorite part of Thanksgiving and why?

What is your favorite learning center activity and why?

How are you like David?

What is Ms. Taylor's favorite food to eat on Thanksgiving?

What is Mrs. Spangler's favorite food to eat on Thanksgiving?

### Reminders and Announcements

Interim progress reports will be sent home **as needed** this month and virtual interim parent teacher conferences will be held **as needed**.

Please help your kindergartner dress for the changing weather. The classes will continue to spend time outdoors as long as temperatures are above freezing and there is minimal precipitation. Our kindergartners also spend time outdoors during morning drop-off and afternoon pick-up periods.

MCS will hold our annual **Thanksgiving Food Drive the week of Nov 16-20** to help those less fortunate in our community.

Grocery bags will be sent home the week before our drive and may be filled and returned to school with **NON-PERISHABLE** food items. Thank you for your generosity. Happy Thanksgiving!
