What Will I Learn?

I will meet the Super Kids Golly and Alf who will help me learn and explore the letters G and A along with their sounds. I will also learn how to write these letters.

I will learn and explore patterns and one to one correspondence.

I will learn about Abraham, young Isaac, Joseph and Moses.

I will continue to develop my social and emotional skills by safely collaborating with my classmates during learning center activities.

Important Dates

October 7-Chapel Day-Wear your MCS T-shirt!

October 9-Teacher In-Service Day-**NO SCHOOL**

October 16-Picture Day **POSTPONED UNTIL SPRING**

October 30-Halloween Party-Classmates and teachers only

Please consult Ms. Taylor's classroom calendar available on our website for other fun kindergarten dates and events.

Ask a Kindergartner!

What activities do Golly and Alf like to do?

What is the nickname of your group of kindergarten friends? (Hint: it is either the Chipmunks or the Pokemons)

What are 3 different ways that you can sort objects?

What is Mrs. Spangler's favorite color?

Is Ms. Taylor excited about the Steelers season so far?

Can you find an AB pattern in our house?

How are you like a young Isaac?

Reminders and Announcements

The kindergarten class and their teachers will safely celebrate Halloween with a party taking place the **last hour of class time on Friday, October 30th**. The kindergartners may **bring a costume to school to wear during the party**.

Costumes must be school friendly; no gore and no weapons. Costumes must also be simple enough for the kindergartners to take them on and off with minimal assistance. Please look for an opportunity to provide snacks and games for our party on Bloomz.

The kindergartners are doing an amazing job adjusting to their new daily routine including the wearing of a face covering. We are proud of them and appreciate your continued support of our school.
